Your memorandum dated April 7, 1994, addressed to Assistant City Attorney John M. Kaheny has been referred to me for response. You asked Mr. Kaheny to review a proposed agreement between the City and City firefighter Greg George pertaining to their respective rights in an EMT-D Simulator developed by Mr. George. You have confirmed with me that you would like a written response to your request.

The questions raised by your request were extensively researched by Legal Intern Ann Collura, whose work I have reviewed and approved. A copy of her research memorandum is attached. I concur in her analysis and conclusion.
